## Cabernet Sauvignon

**Color:** Dark brilliant ruby red color

**Nose:** An earthy aroma complemented by black cherry and vanilla with a note of oak.

**Palate:** A full rich texture in the mouth. Supple and full bodied with a well balanced acidity. Dark berry flavors with a touch of oak. Rich rounded and spicy tannins bring a long and full finish.

## Sauvignon Blanc

**Color:** Soft yellow grass

**Nose:** Very intense and complex nose with notes of passion fruit, with lemon and grapefruit undertones

**Palate:** A soft blend of grapefruit with a nice balance of flavors, with a long and clean citrus finish.

## Cabernet Sauvignon - Reserva

**Color:** Deep, brilliant, ruby red color

**Nose:** Strong tones of blackberry and black cherry fruits with a fine toasted undertone.

**Palate:** Supple and full bodied with a well balanced acidity. Rich, full fruit flavors combined with a touch of oak.

## BUYING GUIDE

### BEST BUYS

**86** **Suñdañce 2007 Cabernet Sauvignon (Maule Valley); \$9.** For an under-\$10 Cab, this is good red wine. There's a smooth nose based on classic aromas of cassis, blackberry and earth. It draws you in, and the palate is bright with flavors of currants, plum and cherry. With a touch of mint and coffee on the finish, it even gives a sense of style. Imported by IBESC
